Environmental Responsibility

When you are surrounded by such beauty, being environmentally friendly becomes a natural responsibility. This is why we grow as many ingredients as we can. What we can't grow we source from local farmers and suppliers. Our take-away containers are biodegradable and receiving a straw with your drink is not the default. You can help us by:

- Bringing your own takeaway container
- Only asking for a straw if absolutely necessary

We've Got You Covered

What better way to spend your weekend than enjoying the beautiful countryside? Take a look at the calendar below to keep up to date with all things Greytown.

Saturday Morning Trail Run

Start your weekend off with fresh air and nature. Join the rest of the healthy folks in our community for a morning trail run/walk. Starting at 8 am, you can go for a run or walk through the countryside starting and ending at Tranquili-Tea.

The full trail is 5km (look for the blue markers), but there are plenty of shortcuts. The hungrier among us can get away with a short 1km loop (look for the yellow markers).

Breakfast will be available at the restaurant once you've got your exercise out of the way.

Sunday Morning Breakfast Buffet

***suspended until further notice due to Covid-19 regulations.**

On Sunday mornings you can enjoy all your favourite fry-up staples at our breakfast buffet. Help yourself to country fresh eggs, bacon, mushrooms, tomatoes, and more. You can still order off the menu if a buffet is not your thing.

Make sure to book in advance because the buffet is quite popular. But don't worry, you won't leave hungry!

Full Moon Boogie

***suspended until further notice due to Covid-19 regulations.**

Every couple of months you are invited to the Full Moon Boogie. Take advantage of the clear skies and lack of light pollution in our beautiful countryside with a night under the moonlight.

On the Saturday night closest to the full moon we host a night run and dinner. Bring the whole family for something a little different.

Unfortunately we can't serve alcohol yet but you are welcome to bring your own. Corkage fee is R10 per head.

Every so often we have live music so make sure you check the calendar below to stay in the loop.

Serious boogiers can stay late. Howling at the moon is encouraged.
